## zazu's scharffen berger chocolate fondue

*serves 4+*

*We serve this fondue at ZAZU with "better butters" (peanut butter shortbread cookies filled with peanut butter frosting) and bananas and on Christmas Eve at home with fruit and panetone. It also makes a fine chocolate sauce to serve over ice cream.*

8 ounces Scharffen Berger 70% chocolate

1 cup boiling water

3/4 cup sugar

1/4 cup plus 2 tablespoons light corn syrup

3 tablespoons unsalted butter

1 teaspoon vanilla extract

Place all the ingredients in a small saucepan on medium heat. Simmer for 5 minutes
